Dear Magdalene and friends

Sr Angela came bearing gifts from you again last week – and what a gift!. No wonder all our children are smiling!  
 Your generosity especially in these hard economic times is overwhelming . What would we ever do without you.

When I told the children of your generosity and asked them to remember you in their prayers they readily agreed ... and then  
*“Brother, I have no shoes ... Br, I have a hole in my shoe... Br its cold at night.....”*  
 Now, happily, both prayers will be answered.

May the good Lord reward your generosity
