

This is my house, the colour of my house is blue and our windows are brown. I have seven members in my family Mum, dad, brothers and, sisters. I love my family but sometimes things become abit hectic when my sister makes me fetch water at the tap. Although the tap is near the house but it really sucks. At home I also have a big garden. When I come back from school, I go flying to the watering can to get

From: Wabene

our garden watered, before my elder brother takes over. My elder brother is a hotty culture<sup>ist</sup>. He always want to see the garden up to scratch. I love you all at home. in conclusion I like to send great thanks for the sponsor.

~~you~~ send my regards to everyone.

your beloved  
Thabiso
